JASONS, Guests, and Friends,

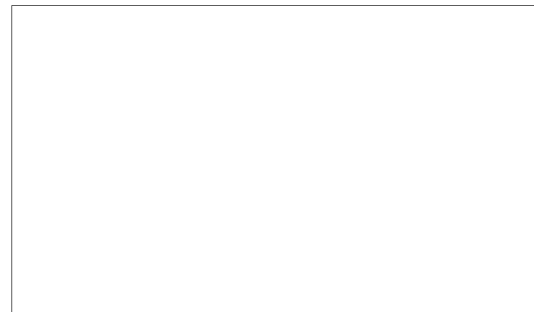

I am enclosing a newer version of the JASON agenda for the Spring meeting, April 23 and 24.

Please note that Secretary Weinberger has agreed to participate in the meeting on the 23rd. Since this part of the meeting will, of course, be very popular, JASON must impose a reasonable constraint upon who may attend: only those people who have personally received invitations to the meeting will be allowed to attend, no substitutes nor augmentation of this list will be permitted. If you have any questions about this, please call.
